

Indigo's Friday Fab Brunch is back and it's Hassle Free!

A selection of delectable new dishes await brunch enthusiasts

Manama, Bahrain - October 2022 - Indigo Terrace, The Merchant House's award-winning roof-top restaurant, has launched the latest iteration of its popular Friday Fab Brunch, with all seasonal delicacies.

The launch was held at an exclusive VIP event at Indigo this Friday, attended by members of the press, and other high-profile guests.

Speaking on the sidelines of the event, The Merchant House General Manager Justin Kim commented, "Our goal is to continually improve and innovate to keep our patrons engaged and coming back for more. With the climate becoming increasingly pleasant, Friday Fab Brunch at Indigo Terrace is the perfect weekend experience."

Specially curated by TMH Executive Chef Nirmal Pant, the seasonal brunch menu is a thoughtful compilation of popular Mediterranean dishes and Indigo's signature favourites. Alongside the popular Beef Rib Ssamjang (cherry wood smoked beef rib, Korean BBQ sauce, pipirrana salad) and the Hammour (pan-seared Hammour, asparagus, roasted capsicum and cilantro sauce, beet & avocado salsa), diners will find new dishes like Fresh Fig & Marinated Salmon (Fresh fig, olive oil marinated fresh salmon, asparagus, rocket, feta cheese, TMH dressing) and Marinated Beetroot (Orange honey marinated local beetroot, feta cheese, peanut).

The dishes will be exclusively available at the Friday Fab Brunch, whose menu will be refreshed seasonally.

The brunch has been organised as an easy-going sit-down concept, allowing guests to choose 4 dishes along with 1 signature main dish from the brunch menu to benefit from the brunch package or they simply choose dishes individually to take advantage of TMH's Hassle Free Fridays. It opened to the public starting Friday, the 28th of October.

The Merchant House invites guests to savour, sip and relax at Indigo's Friday Fab Brunch and have a great time.
